All public elementary and secondary school students have the right to attend school in a safe, welcoming, considerate, and caring environment. The Dignity Act states that NO student shall be subjected to harassment or discrimination by employees or students on school property or at a school function based on their actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex. As per NYS Regulation, one administrator in every school is designated as the Dignity Act Coordinator (DAC) and is trained in methods to respond to human relations in the areas of race, color, weight, national origin, ethnic, group, religion, religious practices, disability, sexual orientation, gender, or sex.
